Examiner: Duong, Duc T.

Matter No.: 992.1008

Phone No.: 571-272-3122

For: Adaptive Threshold Based Jitter Buffer Management for Packetized Data

**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowability mailed on 04/20/2006 contains an Examiner's Statement of Reasons for Allowance. The Statement appears to cite only a portion of the claim language from independent claims 1, 15, 27, 29, 34, and 36. The Applicant submits that each of these independent claims recites additional language. To that extent, the Applicant objects to the Statement. In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicant rejects any narrowing or limitations that might possibly result from such differences. For each of these reasons individually and for all these reasons collectively, the Applicant objects to the Statement.

Respectfully submitted,

Date: 05/17/06
